I fell in love with this song the minute I heard it.

The little hall they are singing about is in the same area I came from, up on the Darling Downs in Queensland, Australia. Brendon Walmsley is an Aussie Country singer and he has done a wonderful job of this song. The lyrics are hair raising! Hope you think so too. The dance may be a bit harder than I usually write, but It is so nice to dance to this song that it is worth learning.

See you on the floor sometime.... Jan
