This is a bright little song by the Texas Tornados even though the topic of the song is a serious one regarding fidelity. Are you being unfaithful if you think of someone else at a time 'like that'? I reckon everyone has been guilty of that at some time.
What's that old saying..... 'you can window shop but you mustn't handle the merchandise'. Anyway, this song proves that even the Mexicans have the same problems~~~ (-:

The dance is simple but catchy. Hope you enjoy it..... and remember, keep your mind on the job! This is not the time for FANTASY...or is it?

See you on the floor sometime..... Jan
