I'll bet there are lots of us who can only afford to take a vacation in our dreams these days!  
There's nothing quite like music and dance to take us away from reality for a while....  
Just as well I say, because sometimes reality is a real drag on the emotions.  
I find that a couple of hours of music and dancing is all it takes to recharge my batteries in Preparation for  
the next onslaught of life! (-:

Hope you enjoy this little dance and that the music does it for YOU too!

See you on the floor sometime.... Jan
