**Choreographers note:-** Shelby is more of a country singer than a 'Country' artist. She sings about life around her, no matter what genre of music that takes. This album proved her versatility more than any other. Softly does it.....nice an' easssssssy....or if you want to add a little 'ummmph', use the Suzy Bogguss alternative.

Dance starts after the 32 count intro on the vocals with feet together and weight on the right foot.
