32 count, circle, beginner level

Choreographer: William Sevone (Nov 2005)  
Choreographed to: Driving Home For Christmas by

Choreographers note:- What can you really say about the song... but beautiful.  
Take care whether you are dancing or driving – a slippery surface will get you every time.  
Safe journey and happy trails, may you always find joy and laughter in what you seek.  
This not just a festive/holiday dance – choose any mid tempo two-step music... and just go for it!!  
Always remember - **'The beat may reach your feet - but the rhythm should electrify your soul'**.  
Dance starts on the vocals with feet together and weight on the right foot.
