Start Again

Restarts:

The first re-start occurs during wall 5. Dance to step 16 and start again (Facing 3 o'clock)

The second re-start occurs during wall 10. Dance up to step 23 but instead of sweeping Right foot round on step 24, step it to the Right side and then start the dance again (Facing 12 o'clock)

Note: This is a long track (just under 5 minutes!) You can avoid the 2nd re-start by fading the music around 3. 1 / 2 minutes. **WARNING:** This is such a lovely dreamy track you might just get lost in it and forget to fade it so be aware!!
