

Choreographers note:- My thanks to Julie Murray for giving me the inclination for a dance to the music of Will Young. The music is phrased, but in such a manner that the 4th and 8th walls as well as the 'end' wall are a short (16 count) ones. Therefore creating very few, if any, mistimed steps whilst learning. Because of this and other factors the dance is quite well suited for those in the Advanced Beginner and above levels. That over with... all you have to do now is 'Dance the night away'.
Dance starts after 32 count intro (count starts with the drums) on vocals, with feet together and weight on the left foot.
