(Deluxe Version)

---

Start on lyrics

**1-8 Kick Ball Step, Step Forward, Walks, 2-¼ Turns, Hip Rolls**

- 1&2 Kick right forward, small kick, step right ball next to left, step left forward  
3-4 Step right forward, step left forward, (left takes weight)  
5-6 Step right forward, turn ¼ right hip roll, while pivoting on left  
7-8 Repeat 5-6 (6:00)

**9-16 Traveling Triple Steps Forward, Press Rock Forward, Press Rock Back**

- 1&2 Step right forward, step left together, step right forward, (traveling triple forward)  
3&4 Step left forward, step right together, step forward left (left takes weight)  
5-6 Press/rock, right ball of toe forward, recover to left  
7-8 Press/rock, right ball of toe back, recover to left (6:00)

**RESTART** happens ON the 6th wall, you do these 16 counts, then you restart the dance from the top

**17-24 Lindy/Shuffle Right, Rock Step, Vine With ¼ Left, Brush, Hitch**

- 1&2 Chassé side right, left, right  
3-4 Rock left slightly behind right, recover to right (right takes weight)  
5-8 Step left to side, step right slightly behind left, step turn ¼ left,  
brush right together while hitching right knee up at the same time (3:00)

**25-32 Step Down On Slight Diagonal, Hip Bumps 2x Right, Left,  
Single Hip Bumps Right, Left, Right, Left**

- 1-2 Step right down, on a diagonal (1:00), bumping right hip to right 2 time  
3-4 Bump hips left to left 2 times (left takes weight)  
Get ready to square off to 9:00  
5-6 Squaring off to 9:00, step right down, while bumping right hip to right, bump left hip to left  
7-8 Bump hips right to right, bump left hip to left (left takes weight) (3:00)

**TAG:** At the END of the 14th wall, do a 4 count hip roll to the left or just hold for 4 counts.

Then start the top of the dance, which is when he says: & drink.

This will be your last 32 counts, which ends with the music
