START AGAIN

**TAG:** ("Losing At Loving" only) At the end of wall 2 (6 o'clock) and 5 (9 o'clock) there are 4 extra counts - just do 2 pivot turns to the left stepping forward on right, pivot 1/2 turn left, step forward on right, pivot 1/2 turn left. This dance can be danced through without the tags but it feels so much better with them, and it also allows you to end at 12 o'clock.

Choreographers note:

This is the second dance I choreographed to Blue County - I just love these guys! The beat is great and the words are FUNNY!
