I got quite a shock to hear Kris Kristofferson in this duo... mainly because the last time I heard of him was when he starred with Barbra Streisand in the movie 'A Star Is Born' all those years ago. He played a drug affected rocker in that movie had I have never forgotten it. I wonder where he has been all these years..... Or perhaps it is me who has been missing??? That wouldn't surprise me at all! (-: Hope you enjoy the dance and thanks to Ilse for the song.

See you on the floor sometime.... Jan
