REPEAT

/These are variations I see commonly that do not ruin the integrity or spirit of the dance:

/1. One or two-foot stomp at count 16

/2. 1-1/4 right turning vine for counts 17-20

/3. Hitch instead of touchback at count 24

/4. Turn and a half at count 32

/5. Hat wearers raise them with both hands at the split jump (count 21) and replace them on count 22.
