43–48	1–6	Repeat Beats 37–42

REPEAT

Choreographers Notes: The shoulder turn before the cross and side triple is just for comfort, and does not indicate a turn in the dance. It can be replicated to the left on the return journey and then straighten up on the side and draw. Also the music slows down near the end, slow down with it, to finish gracefully on the side and draw. Happy dancing.....
