On Wall 8 you will be facing the back wall, dance 20 counts of the dance, till the Touch after the Hitch (facing 9:00), then Restart with a 1/4 turn right, with the Big step and slide to right side, to face 12:00. You will hear it in the music!

The Big Finish – You will be facing the Front Wall. Dance the first 3 counts of the dance, which is Side, L Coaster Step. Then... Step fwd on R(4), Step L next to R, with Palms open at side of face, slide hands over each other covering your face(&5). Or,.... you can choose your own dramatic ending!
