Dance up to count 10 (Step R behind L) then touch L beside R and hold
Restart the dance**

**It must be awful to talk in your sleep... especially if you have a guilty conscience!
Might be better to stay up and dance all night... lol**

**This dance was written for my workshop in New Zealand in April 2016.
Another easy dance, but I find workshops are not a good place to teach hard dances.
They take too much time and exclude half the dancers there....**

**I've known some of you for many years now... and we are still going strong!
Hope we can continue for many years to come.
Stay well, stay dancing....and try not to talk in your sleep!**

See you on the floor sometime.... Jan
