This is such a pretty song, well, I think it is anyway. It's really relaxing and nice to dance to. I guess we all have a 'Cheyenne' that we go back to in our thoughts sometimes. Bet YOU do! Go on, own up!

While the dance isn't hard, it's certainly not a beginner's dance but with the turns taken out of it the majority of people should be able to manage it.. Hope you enjoy it however you do it.

See you on the floor sometime.... Jan
