Choreographer : 'The Lady In Black' (UK)
Oct 2001

Choreographed to : A Night In New York from
the Cool City Heat Album (112 bpm)

Choreographer's note: I fell in love with this track and then... This dance was choreographed after the producer of this album said "Write something beautiful for everyone in the States", I hope I have achieved that and I dedicate this dance to all of the people and friends that I have met and worked with on my travels to the USA who always gave and shared so much.
